- Air speed from 200 km/h
- 400 watt motor / 500 watt heating element
- Double insulated
- 3-year warranty*

*Excludes motor brushes

Airflow are pleased to introduce one of the world's smallest hand dryers – the ecoDRY mini. The ecoDRY mini is ideal for washrooms where space is limited as it only protrudes less than 10 cm from the wall when fitted. Taking a mere 20 seconds to dry one's hands, it consumes minimal energy and boasts an excellent performance/ energy consumption/ cost ratio making it the ideal choice for customers looking for an entry level hand dryer.

ecoDRY mini is another inspiring design Airflow is proud to have in their ecoDRY portfolio of hand dryers.
