AIRFLOW 

Oh so quiet...

THE BLACK EDITION

Designed to blend seamlessly with the aesthetics of your bathroom, the QuietAir QT100 is now available in black. With darker bathrooms becoming increasingly popular for their inviting and luxurious feel, this simple and compact design will fit perfectly with your décor.

Engineered and designed in Germany, the QuietAir range features a high-efficiency, low-energy, and ultra-quiet performance. Unobtrusive both in sight and sound, the QuietAir fan operates with whisper-quiet efficiency without compromising functionality. With a variety of controls and features, it offers the perfect solution for bathrooms, en-suites and toilets.
