

Steel Round Cowls

Ø100 mm - Ø200 mm

with Mesh or Fly Screen

KEY FEATURES

- Exhaust or supply solution
- Durable, anti rust and corrosion resistant stainless steel
- Weather resistant with drip deflector that stops condensation on the walls
- Ø100 mm - Ø200 mm dia sizes available
- Easy to install
- For domestic and commercial use

Weather resistant, high quality stainless steel round cowl with louvres for intake or discharge.

The round cowl mesh features a mesh/bird screen providing suitable protection against birds and pests.

Models with flyscreen available.

The round cowls are easy to install, with a modern design made of high quality construction out of grade 304 Stainless Steel with an attractive finish.

For use with extractor fans, cooker hoods, domestic and commercial applications.

Includes drip catcher, which helps to stop condensation marks on the walls.

MODELS

Round Cowl Mesh	Ø100 mm to Ø200 mm
Round Cowl Fly Screen	Ø100 mm to Ø180 mm
