

Roomvent

Bathroom and utility room ventilation

Key Features

- **Powerful centrifugal fan**
- **Flow rate up to 173 m³/hr**
- **Easy to fit airbrick size case**
- **Fixing pack supplied including bezel**
- **Recess or surface mounted to a wall or ceiling (bezel supplied)**
- **Integral magnetic backdraught flap**
- **Thermally protected motor**
- **IPX4 rating**
- **Complies with Building Regulations**
- **3 year warranty**

Roomvent

Highly reliable and powerful centrifugal fan in a modular design for ease of installation and maintenance. The Roomvent is designed to provide extraction levels that comply with the latest Building Regulations.

Operated by adjustable timer, via a light or optional door switch. The Roomvent range comprises a selection of high performance fans for higher performance ventilation.

They are the ideal solution for removing damp moist air, odours and airborne pollutants from larger rooms. The motor, fan and plug-in timer are on a separate chassis for easy installation.

Models

Timer Remote Switch with timer which can be set to run on between 3 and 50 minutes

Wall Fan Timer Fan with timer to run on between 3 and 50 minutes
