

Model. IHS11ST

Immersion Heater Thermostat 11 Inch

Features & Benefits

- New Range with safety cut-out
- The new thermostats have a second set of contacts which opens and limits the water temperature to 98° centigrade should the primary thermostats fail. The second cut out is non self resetting
- 21/4" Standard threaded head
- Stats size (top/side entry)

Safety Information

IMPORTANT - Before undertaking any work on or maintenance of fitting:-

- Switch off power supply and allow sufficient time to cool before handling
- Do not dispose of decommissioned fitting in household waste
- Dispose of fitting in the appropriate section of your local civic amenity site or recycling centre only

Technical Specifications
