

Model. RCBO10TA

Compact Single Module RCBO - A Type, 10A, 30mA

Features & Benefits

- An economical solution for residential applications
- Top and bottom line load compatible for easy installation
- Suitable for AC and DC and insulated openings for easy busbar installations
- Narrow module design, allows for more RCDs/MCBs to be installed in the one enclosure

Safety Information

IMPORTANT - Before undertaking any work on or maintenance of fitting:-

- Switch off power supply and allow sufficient time to cool before handling
- Do not dispose of decommissioned fitting in household waste
- Dispose of fitting in the appropriate section of your local civic amenity site or recycling centre only

Technical Specifications

General Information	
Product Colour/Finish	Grey
Electrical	
Rated Voltage	230-240V AC
Frequency (Hz)	50/60Hz
Terminal Capacity (mm ²)	Up to 35mm ²
Performance Data	
Specifications	IEC/EN 61009
AMPS	10Amp
Poles	Single
Type	B
Breaking Capacity	6kA
Approvals	RoHS, CE
Construction	
Weight	0.179Kg
Warranty Years	1Yr
Body Material	Acrylic
Others	
Applications	Domestic and commercial applications
