- Switch off power supply and allow sufficient time to cool before handling
- Do not dispose of decommissioned fitting in household waste
- Dispose of fitting in the appropriate section of your local civic amenity site or recycling centre only

Technical Specifications

General Information	
Product Colour/Finish	Yellow/Black caution writing
Dimensions (mm)	(L)365Mtr x (W)150mm
Performance Data	
Tensile Strength	100 microns thickness
Chemical Resistance	Resistant to acids and alkalines
Construction	
Material	Heavy gauge polyethylene
Weight	2.2Kg
Applications	Suitable for buried cables and for preventing accidents in areas of hazards, obstacles, or construction
