

ALL IN ONE MULTI SPRAY

Description

All in One Multi Spray is a versatile aerosol spray that serves as a corrosion inhibitor, lubricant, and multi-purpose protector. Its unique formula combines various properties such as cleaning, lubrication, rust loosening, and moisture displacement. It has applications in industrial settings, homes, and daily tasks.

Properties & Features

Excellent penetrating ability, allowing it to reach tight spaces.
Loosens rusted or corroded bolts, nuts, cables, and other fasteners.
Greases and loosens door and window hinges, locks, and other fittings.
Reduces friction and eliminates squeaks in pedals, chairs, windows, faucets, and hinges.
Free from silicone and dirt trap additives.
Drives out moisture from surfaces, providing long-lasting lubrication.
Protects metal parts from rust.
Provides maintenance by penetrating surfaces and protecting them against dirt.
Dissolves tar, gum, adhesive, and other stubborn substances.
Permeates into grease and dirt, creating a protective film layer on the surface.

Fields of Application

Suitable for use on fittings, door and window mechanisms, locks, handles, and hinges.
Effective in eliminating humidity on metallic surfaces of bikes, motorbikes, small motor vehicles, electronics, and home tools such as drills and jigsaws.
Ideal for loosening and activating rusted and jammed mechanisms.
Can be used as a protective coating on surfaces vulnerable to water and rust.
Helps dissolve adhesive materials like tar, gum, adhesive tapes, and more.
Useful for cleaning and maintaining firearms.

Please note that specific instructions for usage, precautions, and safety guidelines should be followed as provided on the product label or accompanying documentation.

Directions for Use

- Shake the can well before use.
- Spray to the surfaces or parts which will be protected.
- Wait for full penetration to get the best result.

Remarks & Restrictions

- Pressurized container. Keep away from direct sunlight.
- Keep away from sources of ignition, do not smoke.
- Use only in well-ventilated areas.

Product Information

Packaging	Net 11 Oz. / 300 gr / 400 ml
Shelf Life	24 months
Storage	At cool and dry ambient. In between +50°F to +77°F. max. 60% relative humidity.

Technical Data

Parameter	Value
Basis	Aerosol
Appearance	Yellowish
Odor	Aromatic
Water Solubility	Unsolvable

Safety

Ensure that the workstation has good ventilation to minimize exposure to fumes. Wear appropriate personal protective equipment, such as gloves and eye protection, when using the cleaner. Avoid eating, drinking, or smoking while using the product. Always wash hands thoroughly after handling the cleaner. Store the product in a well-ventilated place and away from heat sources. Follow the MSDS guidelines for proper disposal and refer to the provided safety information for further details. Keep the product out of reach of children.
